To The Secretary to the Government of Madras,

Sir,

The Municipal Health Officer Dr. Y. Siva Ramayya, L. M. S., was on leave for a period of sixteen days with effect from 23rd July 1937 and no substitute was appointed in his place during the period. As reductions are made in the payment of contribution on account of the maintenance of the Town Survey Establishment I addressed the Director of Public Health, Madras to let me know the amount of remission allowed on account of

the

the Health Officer's absence during portions of July and August 1937. In reply he has stated that specific orders of the Government should be obtained to waive the recovery of contribution for the period for which t h e post of the Health Officer was vacant.

I therefore request that the Government may be pleased to waive the proportionate amount of contribution for the period spent by the Municipal Health Officer on leave and let me know the balance amount of contribu - tion due to provincial funds for the months of July and August 1937.
